

## *The talent, the talent, oh my!*

HUGE PROPS TO EVERYONE WHO AUDITIONED FOR CATS

The production team of CATS cannot stop talking about the amount of talent they saw in auditions. It made the decision-making process VERY difficult, but what a good problem to have, especially in a community our size! While the team wasn't able to cast everyone, they were truly blown away by what all of the auditionees had to show off - whether it be their first time auditioning or their 40th.

It takes a lot of courage to audition and it's something to be proud of. We encourage everyone to keep putting yourself out there for the theatre and anything else you think you might enjoy!
